Daniel B. Lindsay is a Co-Founder and Managing Director of IPFC Corp., an independent consulting firm that provides a variety of consulting services, including financial analysis and valuation assessments for companies relating to technology issues such as patents, trade secrets, copyrights, and other forms of intellectual property. The firm also provides financial analysis relating to damages assessments and evaluations for corporate disputes, litigation, acquisitions, and divestitures.

FINANCIAL AND LITIGATION CONSULTING EXPERIENCE:

More than twenty years of experience providing financial consulting and damage analysis services to law firms and companies involved in litigation and other disputes. Disputes have involved intellectual property, breach of contract, business interruption, antitrust, and oil and gas royalty issues. Areas of expertise include damages calculations, royalty analyses, lost profits analyses, and financial and damages scenario modeling. Significant experience analyzing sales, costs, profits, license agreements, business plans, industry competition, market conditions, and other information for the purposes of assessing and calculating damages.

SAMPLE INDUSTRY EXPERIENCE:

Experienced in the following industries:

- Airline/Aircraft
- Automotive
- Cable/Satellite Television
- Chemical
- Computers
- Consumer Products
- Internet/E-Commerce
- Material Handling/Manufacturing
- Medical Products
- Oilfield Services
- Semiconductors
- Software
- Telecommunications
- Utilities

ARTICLES AND PRESENTATIONS:

“Calculating Damages in Patent Infringement Cases – A Lost Profits and Reasonable Royalty Case Study,” Co-Presenter, 2003-2005 (various).

“Strategies in Intellectual Property,” Guest Lecturer, Spring 2004, Chicago Kent College of Law.

“Current Issues in IP Damages,” CLE Presentation, July 2009
